

WORLD IN TRAVELLING HOSPITAL - W.I.T.H. YOU

## ASSOCIATION OVERVIEW AND GOALS

### ▪ Association Mission

The W.I.T.H. YOU association intends to provide professional services supplied by physicians and volunteers working both in public and private structures. The association belongs to the non-profit organizations involved in **social works** in Modena and its province, operating at local and world-wide levels, especially in the fields of public health, education, environment and development

The plan arises from the necessity to supply technical support to local and international cooperation projects in order to evaluate their feasibility, optimizing their results and succeeding the goals.

The W.I.T.H. YOU Association, thanks to the experience and knowledge of its members is able to provide *in loco* evaluations, planning capacity, choices of biomedical facilities and their practical implementation. Moreover W.I.T.H. YOU association also supplies the training and the up-dating of the project's operators.

### ▪ Long, medium, short term goals and activities

The main goal is to create a network of relationship and cooperation between associations and other realities based on dialogue, exchange of experience and comparison. This would bring to a synergy of cooperation, action and intents among all the subjects thus obtaining a quality optimization of interventions and creating new operating synergies with overall perspectives.

The aims and activities of the W.I.T.H. YOU association are the following:

- To supply professional advice, especially in social work and health fields, qualified assistance and instruments for planning and realization of post-emergency activities
- To offer professional advice as well as instruments for planning and carrying out specific interventions especially in the social work and health fields
- To participate in projects promoted by other social non-profit organizations by supplying the required services
- To manage the training and the qualification of volunteers
- To supply instruments and stimulate initiatives aimed at improving the awareness of solidarity, participation and peace

- To develop health services and improve life quality in developing and transition countries populations even through the cooperation with different non-profit associations and/or both public and private institutions.
- To develop health services and improve life quality in developing and transition countries populations even through the training and up-dating of health and social workers.
- To plan and manage health projects, programs and initiatives for developing and transition countries populations accordingly to the cooperation agreement between Italy and these countries.
- To realize and/or manage health, cultural and educational facilities in developing and transition countries cooperating at international level.
- To organize courses, lessons, debates and lectures to promote professional qualification, training and up-dating of physician and social worker volunteers.
- To protect the basic human rights such as the dignity and the value of human being , the equality of rights of man, woman and child , through the promotion of the social progress for a better quality of life and for a greater freedom.
- To promote and support studies and research to carry out plans in developing and transition countries populations
- To promote, sustain and enhance the voluntary work especially at provincial level.

<ul style="list-style-type: none"> <li>▪ <b>Beneficiaries of the Association Activity</b></li> </ul>
--

The beneficiaries of the Association activities are represented by the different realities of the territory and of the developing countries receiver of the various interventions. In detail:

1. **No-profit Organizations or their official partners**
2. **Receivers of the projects present both in Italy or in the developing countries**
3. **Societies and both public and private Institutions involved in an active collaboration with the associations**
4. **Citizens as receivers of principles of solidarity, peace and sharing.**

▪ **Tools to measure the Association efficacy**

The monitoring of the association activities and the achievement of its purposes will be committed to their constituent members and to those who will actively join the association.

▪ **Purpose and development of the Association**

The **W.I.T.H. YOU** purposes are generally represented by the enhancement and promotion of voluntary work through the constitution of a network of cooperation with other associations, beneficiaries of interventions, public and private Institutions and citizens. The exchange of specific knowledges, of technical and cultural expertises and experiences will allow an optimum realization of cooperation projects in social, health and educational fields. The future goal of the association is to work out its own projects of cooperation in the name of the Universal Declaration of Human Rights.

The Chairman  
Pier Luca Ceccarelli
